

*** We are excited to present our event schedule for the 2024 Season, continuing with a repeat of our most popular “**Open Garden**” series, which provides those wishing to visit individually or with a small group, the only opportunity to do so this season.

*** This year we will be offering **Three Afternoon Events**, and while similar in program and promotions offered, each is distinct in the fact that each features a specific time in the Daylily Bloom Cycle. These have become very popular, well received and attended by many; this post will focus on our “**Sunday In The Garden #1 – Open Gardens @ Lasting Dreams Daylilies**”.

*** What is different this year, we are experiencing bloom cycles which thus far are about two weeks ahead of the norm. Thus this first “**Sunday in The Garden**” event, while focusing on “**Extra-Early**”, “**Early**”, and “**Early-Midseason**” cultivars; and while these **870 Cultivars** comprise the majority of what will be in bloom, the garden will have a substantial display of “**Midseason**” as well, and that can number as many as 860 additional.

*** In addition to the opportunity to enjoy our **Private Display Garden**, our guests also have the ability to shop our **Nursery & Gift Shoppe**, with a large selection of items and plants available for **Cash & Carry**. Continuing as in previous years, guests also have the option to place orders for future pickup or shipping, by selecting those daylilies which call out to them, as they stroll the garden beds.

*** We will be featuring a varied selection of promotions for our guests and visitors who are attendees at each event, and we will have flyers available detailing what these are; but for now, here is a sampling:

- Minimum 10% Discount on our Catalog Pricing for daylily orders placed during, or resulting from the event.
- Discounts on available Pre-Potted Daylilies
- Enjoy huge savings with our selection of BOGO plants; for every even number of plants purchased, the corresponding number of lower cost plants are free.
- “**Landscape Plants**” – Normally \$25 each, for this event they are available for **\$20 each, 3 clumps for \$50, or 5 Clumps for \$75**. Because each clump is unique, they are available on a first come first served basis; we will gladly tag and hold your selections for pickup for a future date.
- “**Special Drawings**” for attendees, and “**Special Discounts**” for those wishing to purchase items from our **Gift Shoppe**, as well as other surprises.

*** **All Events will be Held, Rain or Shine**

*** Children of all ages are especially welcome, and we always strive to provide them with a fun and memorable visit.

*** We have ample off street and on street parking available, and can handle anything from bicycles to buses. Our grounds are easily navigated by all ages and by those with limitations. We do have restroom availability, as well as shaded seating throughout the garden. Pets are welcome if they are on a leash, and looked after during your visit.
