

2024 Buy One, Get One Free Promotion

This season we are offering **150 Cultivars for our BOGO Promotion**, and customers never need to worry if plants they purchased this season, are now part of this promotion; we carefully selected specific daylilies for this offer to avoid any customer regret; if we do have an overlap, we'll be contacting you.

This assortment is priced from **\$15 to \$50 for Double Fan Divisions**, and these are quality plants, with a large range of seasons available.

The challenge we always face, is bed space in the garden, and while we do have ample acreage to create additional daylily display beds, the reality is that guests can get overwhelmed by too many from which to choose, and we would get overwhelmed by that much more to weed.

Our solution is to offer this promotion on a continuing basis throughout the year, and these selected cultivars will be available until sold out.

Some are in limited quantity, and over time we will add new plants to the listing; no fear however, because even with the 150 offered, we still will be growing over 2000 Cultivars available through our Catalog.

To view images of the cultivars offered, please go to our 2024 Catalog Albums https://www.facebook.com/profile.php?id=100063981522931&sk=photos_albums We will soon have a separate album with just the BOGO Daylilies featured, and are working to find a way to post that album directly to our website.

This promotion is **limited to a single order, per customer, per address, in a single calendar year**, but can be combined with regular orders to save on shipping. The discount is applied with **multiples of two plants**, with the **lesser cost daylily being the free plant**; for example, purchase 6 plants of assorted pricing, the 3 lowest priced or with equal pricing will be your free daylilies. Customers with 2024 Pre-season Orders, or Guests from any of our 2024 Events, are exempted, and can participate in this promotion again this year.

This promotion is available to everyone,
those on Facebook, visitors to our website, or Nursery customers.
Placed orders are available for shipping, or for scheduled pickup here at our Nursery,
until 8/31/24; however orders can be accepted all through the year,
and into the 2025 Season, when shipping will resume on June 1st.

Special Offer for our "Customer Rewards Program" members,
as well as our Facebook Group: <https://www.facebook.com/groups/270133113983147>
Orders totaling \$100 or more, after discounts and before other costs are added,
will receive a Bonus Plant with their order.

Please use the Order Form on our website, which details shipping costs and other fees;
we can also accept email orders. Once submitted, we will initiate your order,
and send you an email to confirm your final total;
we will follow up with an invoice through Square Processing,
where you can pay with credit or debit securely from your home.
Contact us if you wish to pay with cash or money order; please no checks.
No orders will be processed until full payment is received.

Orders picked up here at our Nursery, or shipped to a New York State address,
will have Sales Tax added to their total.

Please note that we only ship to domestic address, but we can facilitate pickups
for customers traveling from outside the USA; in these cases,
as well as with some shipments to specific States, extra fees may apply.

We offer this opportunity to allow for those who are new to daylilies,
as well as those who are avid gardeners already familiar with daylilies,
to acquire additional cultivars, at a value price.

We can limit quantities on any order, and restrict sales to dealers.

Hopefully we covered all the details, but feel free to contact us with any questions:
