

\*\*\* We are excited to present our event schedule for the 2026 Season, continuing with a repeat of our popular ***“Sunday In The Garden”*** series, which provides those wishing to visit and enjoy our Private Display Garden, the only opportunity to do so this season.

\*\*\* As these are ***“Private Events”*** they are available by ***“Invitation Only”*** or ***“Pre-Registration”***. The good news is that most of you reading this already have a ***“Standing Invitation”*** by virtue of being one or more of the following: a ***“Previous Customer”*** in good standing, a ***“Facebook Follower or Group Member”***, as well as those in our ***“Customer Rewards Program”***. If you do not fit in any of these categories, you have time and opportunity to rectify that, by emailing us at **LastingDreams@verizon.net** to register; one request covers all events.

\*\*\* Again this year we'll be hosting ***Five Events***, and we are welcoming guests from ***Noon through 3:30 PM, with the Gardens Closing at 4 PM***. While the series is similar in program and promotions offered, each event is distinct in that we are featuring a specific time in the Daylily Bloom Cycle.

\*\*\* With ***“Sunday in The Garden #3”***, we focus on ***“Early-Midseason”***, ***“Midseason”***, and ***“Midseason-Late”*** cultivars. This is typically the pinnacle of ***“Peak Bloom Season”*** where we will be enjoying up to **1669 Cultivars**, the most blooms one will experience in a single visit. Again, our guests will have the ability to shop our ***Nursery & Gift Shoppe***, and we will have a nice selection of plants available for ***Cash & Carry***. As in previous years, we don't dig plants during the events, however we offer a concierge service, where our guests have the option and opportunity to place orders for future pickup or shipping, by selecting those daylilies which call out to them, as they stroll the garden beds; we have your daylilies ready, when you're ready to plant.

\*\*\* We will be featuring a varied selection of promotions for our invited guests and their personal guests, who are in attendance; we will have flyers available at each event, and here is a sampling:

Minimum 10% Discount on our Catalog Pricing for daylily orders placed during, or resulting from the event.

An increased selection of "Cash & Carry" plants, with varied selections presented at the different events.

***“Landscape Plants”*** – Normally \$25 each, for this event they are available for ***\$20 each, 3 clumps for \$50, or 5 Clumps for \$75***. Generally each clump is unique, they are available on a first come first served basis; we will gladly tag and hold your selections for pickup for a future date.

□ **“Special Drawings”** for attendees, and **“Special Discounts”** for those wishing to purchase items from our **Gift Shoppe**, as well as other potential surprises.

□ **“New This Year”** - at each event, we will be featuring plants from at least one hybridizer, with at least 100 cultivars from which to choose, at 50% Off. The hybridizer(s) will be revealed at the event, and we will have list of which daylilies qualify for this promotion, as well as the terms of this fantastic offer.
